ALLOWANCE ON SAID IMPROVEMENTS AND)	
INCREASE IN RATES TO SUPPORT CHANGES)	

O R D E R

On June 20, 1984, Stonebrook Sanitation Company, Inc., ("Stonebrook") filed an application for approval of financing of certain improvements and an increase in rates to reflect that financing.

The Attorney General's Consumer Protection Division filed a motion to dismiss on June 29. The basis for the motion is that Stonebrook failed to comply with 807 KAR 5:001 §9 and 807 KAR 5:076, namely failure to furnish appropriate financial and supporting data for a rate increase.

After a review of the application, it is apparent that it is an attempt to achieve a reconsideration of an issue raised, but not properly pursued in Case No. 8770.

Further, because of the deficiencies of the application, the lack of supporting data, lack of proposed rate levels, and the general lack of compliance with Commission regulations, the application must be denied.

IT IS THEREFORE ORDERED that the application of Stonebrook is denied.

Done at Frankfort, Kentucky, this 31st day of July, 1984.
